Upon entering, players, coaches, trainers will have to sign in, acknowledging they can pass the COVID-19 questionnaire. Parents may go through the COVID-19 questionnaire at home prior to practice. There will be a link to the questionnaire on the website located under [COVID 19 info](#) tab.

EVERYONE that enters the arena needs to be wearing a mask. Masks may be removed once a player puts their helmet on.

Players will proceed to their designated dressing rooms. Bathrooms in dressing rooms will be open.

At this time, we are requesting players to come partially dressed so that all players will be ready to go on the ice in 15 minutes. The only help in the dressing room will be to tie skates.

There are **no spectators** allowed in the Alvinston arena, therefore parents will not be allowed to enter the arena.

Players must leave the arena within 15 minutes of the practice.

Instructors, Arena Staff and Board Members will help guide players during these new processes.
