

The Lambton Attack Girls Hockey Association (LAGHA) invites you to join our 2024/2025 Sponsorship Program. Our local community association is committed to providing approximately 150 girls an avenue for personal growth and development. LAGHA gives young girls the opportunity to learn and play the great game of hockey.

Without the generous support from our local businesses and organizations, we would not be able to provide such a successful hockey program. Lambton Attack Hockey prides itself in keeping hockey affordable to provide increased accessibility to girls hockey in our community. One of the most significant ways we do this is through sponsorships from local businesses and organizations.

We understand that as a business/organization it can be important to be seen for your donation to the local community. Through Lambton Attack Hockey sponsorship, hundreds will see your support.

Please review the attached sponsorship program for affordable options.

Thank you for your consideration in helping to keep hockey affordable for our community.

Sincerely,

Lambton Attack Girls Hockey Association;
